Find place Crook Peak, Mendip, Somerset

Collection

Bristol Museum

Labels

F 3591

Date

22.10.77

Comments 1. Poll edge formed by one flat flake scar. Scarring running from poll edge may be reworking, but scarring on both faces pre-dates grinding, of which only one phase is visible. The section below this scarring is very regular, which might imply reworking.

2. PUBSS 7, 1956, 42-3.
