Find place Aldbourne, Southern Hill

Collection Devizes Museum

Labels B.C.

Date 15.11.77

Comments 1. CORBABL : 1.25.

2. Note with cell refers to Report of the Marlboro' College N.H.S. 38 (1890), p.107 + P.I (No. 595), & notes 'Probably Neo', signed 'IFS'. Neither the note in RMCNHS nor Dr. Smith refer to the grinding. It is labelled as 4 1/4" long in P.I (actual = 4 3/8"), & the fig. only has a very general resemblance to the object.

3. NGR = Southward Down
