Find place

Clegyr Boia

Collection

Tenby Museum

Labels

Stone axe from Clegyr Boia, St Davids

mentioned in the Rev. S. Branning-Gould's report on excavations made in 1902. see Archaeologia Cambrensis 1903 p.6 A71

(P44)

Date

27.8.72

Comments

P44: a gully buff, undoubtedly of local origin, + resembling several gully tufts from the St Davids head area, in particular 2 slides in the good. Branning collection from Ramsey Island.
